# GATE

## WORKSTATION SYSTEM

# GATE

A SYSTEM BUILT FOR CHOICE

A modular workstation system featuring functionality and variability that can adapt to your individual work space requirements.

The Gate's leg structure features a continuous frame with a raised edge detail giving symmetry and a lightweight openness to the system.

## PERSONAL STORAGE

Personal storage units are available in many shapes and sizes from mobiles, caddies and open shelf units. Choose between a key lock or combination lock. All personal storage units are available in matching or contrasting colours.

## ACCESSORIES

Gate offers a range of accessories from monitor arms to removable white boards and screens. Shelves and trays create extra space and are available in a range of colours and sizes to suit.

## WORKTOP

The Gate system offers a variety of work top sizes with a choice of laminates or timber finishes. Our laminates are hard wearing and resistant to UV light and staining by liquids. The edging is a heat bonded and scratch resistant and available in many colours. The substrate of our worktops is manufactured from renewable plantation forests.

Access for the cable trays below the work top can be reached via desk scallops. In desk power and data boxes allowing you to plug in from your desk top or a variety of electrical and data power rails mounted either to the desk top or the underside of the desk top.

## LEGS

The leg structure offers a modern, square profile to compliment any workspace. The legs are finished in a powder coat colour. Cable trays can be matched in the same colour.
